June 2022

Mussun Sales is pleased to announce our partnership with Nordfab!

NORFAB QUICK-FIT CLAMP-TOGETHER DUCTING

***Easy & Fast to install**

Just clamp duct components together, no rivets, screws or welding needed. Installs in seconds with standard QF Clamp, cutting installation and downtime by more than 45%.

***Ideal for dust, mist and fume collection**

***Adaptable to your existing ductwork**

***Laser welded seams on duct pipe**

Solid welds eliminate leakage, increasing system efficiency and improving energy efficiency. Smooth, fully welded seams prevent leaks, snags and possible "bug harbors".

***Easy clean**

Easy to clean, and reinstall – without tools.

***Re-usable**

Easy to modify or relocate as your needs change.

***Galvanized or Stainless Steel**

Metal gauge options to suit your application, from standard gauge to heavy-duty 14 gauge.

***Northfab provides**

Quick delivery – most orders can be delivered within 4 days.

Order tracking and lower freight costs.

***Industries using Quick Fit Include:**

Woodworking, furniture, boat building, metal working, concrete, recycling, plastics, textiles/nonwovens, powder, bulk & solids, food processing, agriculture, automotive and paper.
